PROBLEM GAMBLING SERVICES

Did you know that the Rhode Island Lottery funds both the 24-hour Problem Gambling Helpline as well as treatment services for those who may be experiencing a problem with their gambling activities?

The Helpline – 877-9GAMBLE - (877-942-6253) offers 24-hour assistance to those in need, providing guidance and information on resources and services available. The treatment services, funded by the Lottery, are administered by the Problem Gambling Services of Rhode Island (PGSRI) 401-383-0301. Treatment is available at locations throughout the State for anyone seeking help regardless of one's insurance coverage.

By prominently displaying the Helpline signage and having the informational brochures readily accessible to your customers, you help the Lottery help those who have or may have a problem with gambling. Helping those in need is a top priority for the Lottery, and your support in this effort is invaluable. Thank you!
